Economic Impact

Martin Lake Power Plant and Beckville, Tatum and Oak Hill mines are proud to be major contributors to the community in which our employees work and live.

In 2009, Martin Lake facilities paid more than \$22 million in tax contributions to surrounding counties and school districts.

Community Benefit

We take pride in being a good neighbor through community contributions and volunteerism.

The plant and mines gave tens of thousands of dollars to worthwhile projects and community organizations in 2009. A few of these deserving groups include:

- Rusk and Panola County Youth Project Shows
- Rusk County Children's Advocacy Center
- Ducks Unlimited

Employees at Martin Lake also give back to their communities through volunteerism, supporting the following groups and projects, among many others:

- Relay for Life—American Cancer Society fundraisers
- Junior Achievement
- Special Olympics

Awards and Recognition

Throughout the years, Martin Lake has been recognized as a community and corporate leader. A few significant awards include:
