Economic Impact

Monticello Power Plant and Thermo and Winfield mines are proud to be major contributors to the community in which our employees work and live.

In 2010, Monticello facilities paid more than \$17.4 million in tax contributions to surrounding counties and school districts.

Community Benefit

We take pride in being a good neighbor through community contributions and volunteerism.

The plant and mines gave tens of thousands of dollars to worthwhile projects and community organizations in 2010. A few of these deserving groups include:

- Franklin and Hopkins County Handicapable Rodeo
- American Cancer Society's Relay for Life
- 4-H and FFA Junior Livestock Shows

Employees at Monticello also give back to their communities through volunteerism, supporting the following groups and projects, among many others:

- Titus County Special Catch
- Junior Achievement
- Adopt-a-Highway

Awards and Recognition
