

Trinidad

Luminant

Power Plant

Basic Facts

Fuel source: Natural gas

Operating capacity: 244 MW

Unit and type: 1 steam unit

Year began operation as a gas-fueled unit: 1965

Location: Henderson County

Economic Impact

Luminant and its gas-fueled power plant employees are proud to be a major contributor to the communities in which our employees work and live.

In 2009, Luminant paid nearly \$3 million in tax contributions to the counties and school districts surrounding its gas plants.

Community Benefit

We take pride in being good neighbors through volunteerism and economic contributions.

Luminant has a rich history in community leadership through employee outreach and financial support of worthwhile projects and community organizations. A few of these deserving groups include:

- American Cancer Society's Relay for Life
- Carter BloodCare blood drive and fundraiser
- Community school supply drives
- Independent school districts across Texas

Awards and Recognition

Throughout the years, Luminant's gas facilities have been recognized as community and corporate leaders by a variety of regulatory, conservation, municipal and other organizations. A few of these awards and milestones include:

- Environmental Protection Agency's 2008 NPEP Achievement Award
- A combined 250 years with no lost-time injuries
- A combined 24 years of no OSHA-recordable injuries
- A combined 93 years of no DART injuries

Trinidad Power Plant proudly maintains a **safety record of 30 years without a lost-time injury, five years without an OSHA-recordable injury and 15 years with no DART injuries.**
