Re: Coffeen Power Station; Ash Pond No. 2
Notification of Completion of Closure

Dear Mr. LeCrone:

In accordance with 40 C.F.R. § 257.102(h), Illinois Power Generating Company (IPRG) is providing notification that the closure of Coffeen Ash Pond No. 2 was completed on November 17, 2020.

Pursuant to 40 C.F.R. § 257.102(f)(3), IPRG has attached the certification from a qualified professional engineer verifying that that closure of Coffeen Ash Pond No. 2 has been completed in accordance with (1) the facility's closure plan developed under § 257.102(b) and (2) the requirements of 40 C.F.R. § 257.102.

Sincerely,

A handwritten signature in blue ink that reads "Dianna Tickner".

Dianna Tickner
Director, Decommissioning & Demolition

**Certification Statement 40 CFR § 257.102 - Closure Completion of CCR Surface Impoundment CCR Unit:
Illinois Power Generating Company; Coffeen Power Station; Ash Pond 2**

I, Mark Haddock, being a Registered Professional Engineer in good standing in the State of Illinois, do hereby certify, to the best of my knowledge, information, and belief, that the information contained in this certification has been prepared in accordance with the accepted practice of engineering. I certify, for the above referenced CCR Unit, that closure has been completed and the final cover system as included in the written closure plan dated November 18, 2015, and revised October 17, 2016 meets the requirements of 40 CFR § 257.102.

Mark Haddock, PE (Illinois 062-058223)
