Re: Martin Lake Steam Electric Station – Notice of intent to comply with the site-specific alternative to initiation of closure due to development of alternative capacity is technically infeasible

Dear Ms. Fritz:

In accordance with 40 C.F.R. § 257.106(i)(14), Luminant Generation Company LLC is providing notification of intent to comply with the site-specific alternate deadline to initiation of closure pursuant to 40 C.F.R. § 257.103(f)(1) for the Ash Pond Area and Permanent Disposal Pond 5 located at the Martin Lake Steam Electric Station near Tatum, Texas. This report was placed in the facility's operating record and posted to the public website on September 29, 2020. The URL for the web site is: [www.luminant.com/ccr](http://www.luminant.com/ccr).
