

Baldwin Public Meeting, March 20, 2025

In accordance with 845.240(d) Dynegy Midwest Generation, LLC is providing documentation recording the public meeting.

On Thursday, March 20, 2025, Dynegy Midwest Generation, LLC held in person meetings at 3:00 pm and 5:00pm at the Holiday Inn Express located at 1301 N. Market Street Sparta, IL providing information on the pond closure process and to discuss the proposed construction and corrective action associated with CCR ponds at the site.

The meetings included a question-and-answer session. During the question and-answer portion of the meeting, the public asked questions relating to the closure and the company provided answers.

As required by Section 845.240(g), Dynegy Midwest Generation, LLC distributed to those public meeting attendees who requested a copy a general summary of the issues raised by the public.

In accordance with 845.240(f)(4), a list people who requested to be added to the IEPA Listserv for Baldwin Power Plant were included in a submission to IEPA.
