

Edwards Public Meeting, May 25, 2022

In accordance with 845.240(d) Illinois Power Resources Generating, LLC (IPRG, LLC) is providing documentation recording the public meeting.

On April 25, 2022, Illinois Power Resources Generating, LLC made available to the public its plans to close the Ash Pond (AP) located at the Edwards Power Plant. On Wednesday, May 25, 2022, IPRG, LLC held in-person public meetings at 3:00 pm and 5:30 pm at the Peoria Marriot Pere Marquette to present its decision-making process. A comparison of projected groundwater impacts for the alternatives presented, and an objective comparison of the pros and cons of each alternative were presented at these meetings. During the question-and-answer portion of the meeting, the public asked questions relating to the proposed closure which the company addressed.

As required by Section 845.240(g), Illinois Power Resources Generating, LLC distributed to those public meeting attendees who requested a copy a general summary of the issues raised by the public. A response to those issues raised by the public and a summary of any revisions, changes and considerations made to the closure plans on June 8, 2022.

In accordance with 845.240(f)(4), a list people who requested to be added to the IEPA Listserv were included in the construction permit application.
