Re: Edwards Power Plant; Ash Pond, Notice of Intent to Close CCR Surface Impoundment under 35 Ill Adm. Code 845.700.

In accordance with both 35 Ill Adm. Code 845.700(f) and 845.730(d), Illinois Power Resources Generating (IPRG) is providing notice of intent to close the Edwards Power Plant Ash Pond CCR surface impoundment under 35 Ill Adm. Code 845.700.

This notice of intent to close Edwards' Ash Pond was placed in the facility's operating record on October 2, 2025. IPRG will initiate closure of these CCR surface impoundments by taking steps necessary to implement Edwards' closure plan, submitted on June 30, 2022 as part of a construction permit application. IPRG ceased receipt of all waste streams in the Ash Pond on September 4, 2025. This notice of intent will be placed on our website at <https://www.luminant.com/illinois-ccr/> within the next 14 days.

Should you have any questions regarding this submittal, please feel free to address them to Rhys Fuller at 618-975-1799 or Rhys.Fuller@vistracorp.com.

Sincerely,

Illinois Power Resources Generating
