Re: Hennepin Power Station; East Ash Pond, Notice of Intent to Close CCR Surface Impoundment under 35 Ill Adm. Code 845.700.

Dear Mr. LeCrone:

In accordance with both 35 Ill Adm. Code 845.700(f) and 845.730(d), Dynegy Midwest Generation, LLC (DMG) is providing notice of intent to close the East Ash Pond CCR surface impoundment, under 35 Ill Adm. Code 845.700: at the Hennepin Power Station (Hennepin).

This notice of intent to close Hennepin's East Ash Pond was placed in the facility's operating record on May 11, 2021. DMG will initiate closure of this CCR surface impoundment by taking steps necessary to implement the CCR surface impoundment's initial written closure plan, which was originally posted to the company's website in November 2016. DMG ceased receipt of all waste streams in this CCR surface impoundments by April 11, 2021. The initial written closure plan may be amended when detailed engineering has been completed. This notice of intent will be placed on our website at <https://www.luminant.com/illinois-ccr/> within the next 14 days.
