December 2022

2022 Annual meeting or exercise with Local Emergency Responders – Vermilion Power Station

In accordance with Title 35 of the Illinois Administrative Code (35 I.A.C) section (§) 845.800(d)(11) and Section 2.5 of the Revised First Amended Safety Response Plan, Dynegy Midwest Generation, LLC (“DMG”) for the Vermilion Power Plant, DMG is providing notice of an annual meeting or exercise with local emergency responders as required by the 845.520(g).

Due to concerns regarding Covid 19 restrictions, a face-to-face meeting was not held. However, the Vistra Dam Safety Manager did have a separate discussion with the IDNR – Office of Water Resources, Dam Safety Chief Engineer, Paul Mauer on Friday December 16, 2022, regarding the Emergency Action Plan for the Vermilion Power Station.

If you have any questions regarding the meeting, please contact Mr. Jason Campbell (217) 753-8904

Sincerely,
Dynegy Midwest Generation
